Washington, D.C. 20505

National Intelligence Council

NIC 05606-85  
12 November 1985

MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Charles E. Allen  
National Intelligence Officer for Counterterrorism  
and Narcotics

SUBJECT: 12 November Meeting of Vice President's Task Force on  
Combatting Terrorism

25X1

1. Attached is an updated briefing book for the subject meeting. It contains issue papers received over the weekend; none have been changed significantly over previous versions.

2. The only issue scheduled for discussion today is #3, which calls for the establishment of a National Coordinator for Combatting Terrorism in the NSC staff. The attached contains a detailed briefing paper on that issue. It also contains comments on other issues, just in case they come up.

3. I should note that we still have another round of meetings scheduled before this report is presented to the President: Both the Senior Review Group and the Task Force itself will meet again. Hence we still have time to work these issues even if they are not resolved today.
